IMPORTANT INFORMATION

Lake Laws, Common Sense and Lake Courtesy:

We live on a small lake which makes following the lake laws more critical and not following them more dangerous to all of us.

**Respect Other Boaters and PWC (by keeping distance and motoring in the correct direction)*

**Operate in a Counterclockwise direction*

**Stay 100" away from docks and swim areas*

**No Wake before 10:00 am AND after Dusk*

If you take your boat to other waters **PLEASE pull your plugs, clean your hulls and all exposed surface areas with a bio-friendly soap, before entering our lake.*

*This will assist in slowing invasive weeds and zebra mussel populations that have already been introduced into our waters.**

To reserve a place in a Boater Safety Class, please call 248-858-7831.

There is **NO** charge for the Boater Safety Classes given at the Oakland County Sheriff's Office (OCSO).

Thank You, Stay Safe and Enjoy the Season
